Property Owners Have No Cause For Action At Lake

Opinion Rendered By State Attorney General To Water Group

Owners of shore property on the California side of Lake Tahoe would have a cause of legal action if the present methods of operations in limiting the fluctuation level of the lake were made in the future of their detriment, ruled Attorney General Edmund G. Brown.

Simultaneously, the attorney general ruled that the shore property landowners are not affected by the Truckee River Decree as they were not parties to the decree when it was executed. There is also no cause of action available to shore land owners against those who are regulating the level of Lake Tahoe in its use as a reservoir for generation of electric power and consumptive use below the lake, said the opinion.

A concrete dam, completed in 1912, is used to regulate the flow of water into the Truckee river adequate for the operation of a hydroelectric power plant. Complaints of flooding of shore property followed.

Acition Dismissed

Later, when water was being drained from Lake Tahoe, opposition also developed to a lowered water level, especially following winters of water shortage. In the summer of 1930 shore land owners brought suit to restrain Nevada interests from drawing water off the lake which would have reduced its minimum level. The action was dismissed in 1938 and a "natural'" level has been maintained since.

The Truckee River Agreement provided against the lowering of the lake level without approval of the attorney general. No party would be permitted to create any outlet of the lake's water. No party could remove water except for irrigation when declared by the secretary of the interior as a necessity or declared necessary for sanitary or domestic purposes by the state board of health.

Never Below 6223

Since 1937, when the Truckee River Agreement was executed, the level of the lake has never dropped below 6223 feet above sea level or risen above 6,229.1 feet above sea level. The lowest elevation of the lake was 6221.86 in November, 1931.

The level of the lake, states the opinon, has been artifically controlled for about 85 years. The difference between the highest level and the lowest level has been 7.84 feet. Without the outlet dam it would have been 5.34 feet. Through the use of the storage capacity created by the outlet dam the lake has yielded greater benefits for downstream water users than would have been derived from natural outflow.

Injunction Barred

Failure to bring suit within a five-year period deprives shore land owners of legal action at this time. No judicial action has taken place since 1939, says the opinion, on the maintaining of the water level, and rights of injunction are now barred.

While the level of the lake is termed artificial, the acceptance of the artificial level is considered as permanent and should receive protection as if conditions were natural.

The attorney general states that the owners of shore lands have a right to the maintenance of the lake in its natural condition and elevation, especially when the value of the land derives largely from its proximity to the lake and its attractions. The fluctuating of the Lake Tahoe level from 6223 to 6229.1 feet above sea level "has been the accepted patterns of operation, at least since the Truckee River Agreement was executed in 1937," says the opinion.

Cause For Action

"If the littoral (shore) landowner on Lake Tahoe can show that he built improvements in justifiable reliance on the current limits and method of lake regulation, and that as a consequence he would be damaged by a change thereof, he might have a valid basis for judicial relief of some kind. Whether damage could be proven would be a question of fact in each particular case and we venture no opinion on that issue," concludes the ruling.

The opinion was requested by the California Nevada Interstate Compact Commission.

Deputy Attorney General Adolphus Moskovitz of Sacramento prepared the opinion.

OIL CITY STATION IS LOOTED 4TH TIME

For the fourth time in recent months, the Oil City Service Station at the east end of Donner Lake has been looted. Sometime Sunday night a thief forced a window, located the keys and opened the safe. He is reported to have escaped with approximately $100 in cash.

Deputy Sheriff Emery Lander said it was evident the thief was familar with the station, but no clues were found as to his identity. The station is operated by Ken Gordon.

52 On Honor Roll At High School For Second Period

Fifty-two students at the Tahoe-Truckee High School have earned a place on the honor roll, Principal William Scuitto announced.

In order to be eligible, a student must have an A in citizenship, which means he has demonstrated his ability to control himself in many and varied human relationships occurring during his school day, Scuitto said. The student must also accumulate 15 points with each A counting three, each B two, and each C one.

The following qualified:

12th Grade

Dean Beyer, Richard Decker. Shelia Fanger, Barry Graton, Janice Gray, Richard Griffith, Judy Hastain, Dean Holbrook, Berger Nelson, Dennis Schlumph, Jerry Thompkins, Don VanHooser, Kenny Vaughan, John Wood and Joanne Wray.

11th Grade

Dorothea Frey, Virginia Fudge, Bernice Plemons, Luisa Scuitto, Nancy Watts and Bob Williams.

10th Grade

Stephen Ayala, Carol Baily, Richard Brown, Judy Collins Judy Fanger, Larry Jellin, Linda Morrell, Lynwood Ribal, Larry Rolison, Michael Terkildsen and Sherry Thatcher.

9th Grade

Joan Brown, Varien Frey, Trent Giannini John Olinghouse, Marilyn Plevel, Joann Pomin, Cynthia Reynolds and Jim Schull.

8th Grade

Patricia Collins, Chris Foeger, Dee Dee Frates, Virginia Glass, Dana Hamilton, Frances McGwinn, Wayne Poulsen and Karen Smart.

7th Grade

Alan English, Marshall Forrester, Dusty Rhodes and Vicki Rich.

Bay Area Skiers To Hold Annual Meet

The 10th annual Bay Area Ski Federation's Winter Carnival will be sponsored this season by Branden Enterprises of Hayward, it was announced today by Tom Hale, chairman of the BASF and A. L. Branden, president of Branden Enterprises.

The BASF Winter Carnival, a two-day affair, is scheduled for February 8 and 9. Location is tentatively set for Squaw Valley, site of the 1960 Winter Olympics.

The Branden trophy will be presented to the winning ski team of the carnival. In addition, Branden awards will be presented to the top skier.

The BASF is composed of 18 ski clubs of the nine bay area counties and includes over 3000 skiing members.

The BASF's Winter Carnival is an approved race of the Far West Ski Association, according to Stuart MacLaren, competition chairman of Pasadena.

In announcing his support of the BASF Winter Carnival, A. L. Branden pointed out the tremendous amount of interest in skiing and winter sports on the part of both young and old sport fans.

HOSPITAL PRESENTED WITH NEW DEVICE

J. J. McGlade, administrator of the Tahoe Forest Hospital this week achknowledged with thanks the gift of a hyro-therapy whirlpool from its designer, C. Jobe of Hampshire Rocks. Last year Jobe presented the hospital with a full set of valuable medical journals.

The new equipment, McGlade said, will fill an important need at the hospital, providing an added service for patients.

LIBRARY IS GIVEN ENCYCLOPEDIA SET

The latest gift to the Tahoe-Truckee Community Center Library is a generous one from Mr. and Mrs. John M. Patterson of Truckee. This week they gave a 1956 deluxe edition, 20-volume set, of the Grolier Encyclopedia. This makes the sixth title of encyclopedias that are now available to students of the junior-senior high school.

The Pattersons also gave four boxes of miscellaneous books consisting of 73 titles of both fiction and non-fiction. A few are duplicate titles that are now in the library but most of them are new additions to the collection. One book in particular is a biography of Christopher Columbus containing maps that illustrate his voyages to the New World.

Husband Sought After Wife Knifed In Highway Brawl

Another Woman Is Blamed As Stockton Wife Is Slashed Badly

Officers in Reno and northern California were asked to be on the lookout for Clemie Bledsoe, a Stockton negro, wanted on suspicion of assault with a deadly weapon against his wife, Bernice, near Truckee Sunday night.

According to Deputy Sheriff Emery Lander who was called to Donner Lake at 10:30 Sunday night, Mrs. Bledsoe suffered severe slashes from a switch-blade knife in her right arm and right leg, and she told the officer her husband inflicted the wounds following an argument along the highway near the Dave Tremayne home.

The officer was called by Tremayne when the disturbance became too noticable and he heard a man declare: "I'll kill you."

Mrs. Bledsoe told Lander, the officer said, that she was traveling east with a relative and noticed her husband's car parked along the highway. She stopped to investigate and discovered another woman in the parked vehicle. Mrs. Bledsoe said she ordered the other woman out of the car and seized the keys.

It was at this point, Lander was told, that Bledsoe threatened to kill his wife and pulled the knife. It took 24 stitches to close the wound in her arm. While Mrs. Bledsoe was reporting the incident, Bledsoe drove west, but as Mrs. Bledsoe was returning from Nevada Monday to sign the complaint before Judge F. W. Wilson, she again saw the Bledsoe car going toward Reno.

Reno police were notified to be on the watch for the suspect, but indicated they would make no arrest until they had the warrant from the local court. Mrs. Bledsoe was enroute to Black Rock for a visit and claimed she had no idea her husband was in this area until she spotted the parked car, Lander said.

FIRST AID COURSE IS OFFERED AT TAHOE

TAHOE CITY—Mrs. Marie Henry will conduct one more standard first aid course this winter on December 2 at 7:30 p.m. in the Tahoe Lake School. This standard course of 10 hours is the new approved first aid course just published. The last revision was in 1945 and did not include the many new short cuts and simplifications learned from World War II and the Korean war.

After the holidays, Mrs. Henry will give the 16-hour advanced course to all desiring to take it. Those who finished the course completed November 18 are Fire Chief Al Henry, Kjell Rustad, Ad Hodne, Robert Coate and Melvin Jones.

For those who need to renew their first aid cards, Mrs. Henry will make arrangements for the six-hour refresher course. Mrs. Henry is a fully accredited instructor and has just finished a teachers' refresher course at Auburn.

BOY SCOUTS ENJOY ROLLER SKATE PARTY

Scoutmaster Nelson Stone and Percy Samme escorted Boy Scout Troop No. 7 on a trip to "Skateland" in Reno last Wednesday, and an enjoyable evening of skating on rollers was spent. Action shots were taken by the troop photographer, Ricky Rockholm.

Other trips are being planned for the future.

Scouts Nicky Stone and Frank Borden will be reviewed in the next few weeks for their rank of Life Scout. If they pass they will be the first Life Scouts in Truckee. Butch Frates is a new member of the troop.

LOCAL MAN'S CAR IS HIT IN FATAL CRASH

A station wagon driven by Robert Pankoke of Truckee was sideswiped Tuesday night at the west end of the Newcastle tunnel by a truck which then swerved and hit a second vehicle head on, killing Mrs. Mary Leona Nourse, 59 of Auburn and critically injuring her husband, Ralph C. Nourse, 57.

The highway patrol reported that Walter M. Lane, 27, Sacramento truck driver, jammed on his brakes and swerved to the left when a car in front of him slowed suddenly.

SUNBEAMS

By WALTER M. BARRETT

We wonder sometimes if the true purpose of Thanksgiving is not forgotten in our hurried, restless way of life. Thanksgiving was instituted by the Pilgrim Fathers in 1621 to celebrate and give thanks for the first harvest in the new world and has been observed on the last Thursday of November in the United States and all its possessions by presidental proclamation since 1864. The first designated Thanksgiving was in 1789 when President Washington selected November 26 as a day of general thanksgiving. The devout Pilgrim Fathers made it a day of thanks to God for His bounties. More recently, the day has been devoted to feasting and resting, but we wonder whether or not the sincere thanksgiving on which the holiday is based is not too often forgotten and neglected. At any rate, we join in extending to all of you a most happy Thanksgiving Day.

* * *

Recent press reports would indicate that when the board of supervisors refused to take definite action on a proposal to inaugurate a uniform sales and use tax in Nevada County the county lost some $50,000 for the first quarter of 1958. In our opinion, the people of the county are saving that amount by not being required to pay it out. If the reasoning advanced was carried out it could as well be said that the county is losing millions of dollars because the board declined to fix a tax rate which would bring in that sum. It just appears to us that some writers are going a little overboard in their anxiety to present only one side of the picture.

Employment Office Opens December 2

The Auburn office of the department of employment will begin biweekly winter service to the Truckee, Lake Tahoe, Donner Summit area on Monday, December 2.

The headquarters will be the Curran Distributing Company in Truckee between the hours of 10:30 a.m. to 12 noon and 1 p.m. to 2:30 p.m. California claims will be paid by appointment between 10:30 and 12.

Persons wishing to open claims should report at 1 p.m. Persons, who are claiming unemployment insurance benefits from other states also are scheduled to report at 1 p.m.

When time and staff permits, eligibility interviews will be conducted at Truckee; otherwise, it will be necessary for the unemployment insurance claimants to come to the Auburn office at 1391 Lincoln Way, Auburn, for eligibity interviews.

NORTH TAHOE GROUP WILL INCORPORATE

SACRAMENTO (CNS) — Secretary of State Frank M. Jordan announced today the Council of North Tahoe Organizations has filed articles with his office to form a non-profit corporation.

The group listed its directors as Dallas L. Hughes, Earl L. Nelson and Katherine L. Felte, all of Kings Beach.

GREG YORK WINNER OF ELECTRIC TRAIN

California Conquest, with Cornell Wilde in the starring role, will be the featured attraction at Saturday afternoon's matinee at 1 p.m. at the Donner Theater.

Manager Jack Neugebauer reported last Saturday's electric train was won by Greg York. Another train will be given away at Saturday's matinee.

BAD CHECK CHARGE

An Oakland contractor, Ureal E. Gregory is scheduled to appear in the Truckee Judicial District Court on December 2 to answer a charge of issuing bad checks. He was being held in Berkeley on $2500 bail.

Mrs. Hannah Stewart left last week for Reno, with her daughter, Mrs. John Gracik.

Lake Group Asks Immediate Action On Emerald Bridge

Letter From Chamber Asks Highway Commission For Action

TAHOE CITY—Immediate and positive action by the state department of public works to eliminate the "death trap" and provide a low-level bridge at Emerald Bay, is requested in a letter to Frank B. Durkee, chairman of the state highway commission, from the Lake Tahoe-Sierra Chamber of Commerce.

In the letter, signed by President Fred W. Schultz, it was emphasized that for more than 25 years it has never been possible to keep this section of highway, connecting Highways 50 and 40 open for more than six months out of each year due to snow and rock slides.

The letter, copies of which were sent to state officials and newspapers, charges that two workmen have already lost their lives in snow and rock removal efforts, and "scores of motorists have escaped death or injury here by a matter of only a few bare seconds."

"The Lake Tahoe-Sierra Chamber of Commerce and thousands of citizens of California who reside in this beautiful region the year round, want to know just how many more lives must be lost or placed in jeopardy before your body decides to eliminate this hazard by building a modern, low-level, two-lane highway through this area connected by a bridge across the mouth of Emerald Bay —as recommended by your experts and your highway engineer in their report to you on October 22, 1957."

The letter urges that action be taken to provide transportation over the route by the time the Olympic Games at Squaw Valley are held in 1960. The economy and welfare of the community were cited as well as the long distances motorists are forced to travel because of the closure of the section.

JOHN SCHULER HAS NARROW ESCAPE IN FREAK ACCIDENT

Little 4-year-old John Schuler, son of Mr. and Mrs. Don Schuler was expected to return home this week from St. Mary's Hospital at Reno where he was taken for a serious head injury as a result of an unusual accident last Friday.

John was riding in the rear of a vehicle operated by his parents when he someway opened the rear door and fell on the pavement, striking his head, inflicting a 5-inch fracture. The car was nearing Reno at the time and the young victim was rushed to the hospital there.

His recovery was rapid and Mrs. Schuler hoped to have him home in time for Thanksgiving and what a thanksgiving it should be for the local family.

INVESTITURE HELD FOR GIRL SCOUTS

Donner Troop of Girl Scouts had an investiture ceremony Tuesday at the Veterans Memorial Hall under the guidance of Mrs. Frank Giovannoni and Mrs. Robert L. Leamon. The following girls received their pins and are now tenderfoot scouts: Kathleen York, Judy McGwinn, Sara Van Sickle and Lynn Quartly. Guests were Betty York, Vera Wright, Alta Van Sickle, Wilma Quartly, Dorothey Rose, Doyle McGwinn and Linda Russell.

Refreshments were served by the girls.

TERRY PAYTE WITH FORCES IN FAR EAST

FAR EAST (FHTNC) — Terry D Payte, airman, USN, son of Mr. and Mrs. Benson F. Payte of Truckee, is serving aboard the attack aircraft carrier USS Kearsarge with the U.S. Seventh Fleet in the Far East.

Before returning to the U.S., the carrier's crew will visit Pearl Harbor; Guam; the Philippine Islands; Yokohama, Tokoyo and Yokosuka, Japan.

FINED IN COURT

Sidney Lee of Sacramento, was fined $15 after he appeared before Judge F. W. Wilson last Friday on a charge of disturbing the peace. Lee was accused of striking Deputy Sheriff Ralph Ayala following a disturbance in the Pastime Club.

SHOP IN LOCAL STORES

Summit Lodge Is Being Sold To Six Sacramento People

SODA SPRINGS — An agreement for the sale of Donner Summit Lodge has been reached between the Auburn Branch of the Bank of California and six residents of Sacramento.

The purchasers are Mr. and Mrs. Elliot Growe, Mr. and Mrs. Clyde Burkey and Mr. and Mrs. George Gangler, all of whom will make their homes at their new place of business. The sale is expected to be completed soon and the new owners plan to take over on December 4th.

The sale price is reported to be in excess of $100,000. The bank acquired the property on a foreclosure about two years ago and since that time the lodge has been under the management of Mrs. Frances Couillard, who will remain in an advisory capacity for the new owners.

The lodge has accommodations for 150 persons with 32 rooms and dormitories. The firm of Chamberlain & Chamberlain is handling the transaction.

Former Local Boy Is Killed In Crash

Graveside funeral services were held last Thursday for Cadet Glenn McManus, 21, son of Mr. and Mrs. Michael McManus of Truckee and Menlo Park.

The young man was a victim of an auto crash the previous Sunday near Hondo Air Force Base in Texas. He had been a frequent visitor here, having helped to build the family house in the Meadow Lake tract.

The accident victim was one of four cadets in an auto which overturned, according to wire service reports, when its driver apparently fell asleep. The mishap occurred some 30 miles west of Uvalde.

Cadet McManus, who was a captain in his class, was brought to Menlo Park by his parents when he was two years old. He attended Menlo Park elementary schools and was graduated from Menlo-Atherton High School in 1954, after which he attended the Colorado School of Mines at Golden for a year.

He later returned to attend College of San Mateo until entering the service.

A native of Santa Barbara, he was active during his school years as a member of the county minerological society, the Menlo Park Rifle Club, the Boy Scouts, the Palo Alto Ski Club.

Besides his parents, Cadet McManus is survived by a brother, Gilbert, who resides in Hayward.

The final rites were held at Golden Gate National cemetery.

WILLIAM HASTE, JR. DIES IN SOUTHLAND

TAHOMA—William G. Haste, Jr., 41, son of Mr. and Mrs. William G. Haste of Tahoma and Gardena, expired following a heart attack on November 19. Haste was well known here where for the past few summers he had lived with his parents.

He was a native of Detroit, born March 18, 1916.

He leaves, besides his parents, three sisters, Mrs. R. G. Barton and Mrs. G. Mertz of Westefield, N. J., and Miss Martha Haste of Hayward.

Friends here will join in extending sympathy to the family.

DISTRICT OFFICIAL TO VISIT POST HERE

George E. Fiene, 6th district commander of the American Legion, from Roseville, will make his official visit to Truckee Post on the evening of December 3, Adjutant Frank Quilici has been advised.

At the last meeting the post collected donations for the Fred Fack Memorial Cigarette Fund. The post sent a total of $18.60

Starting on the first of the year the local post will show movies at each meeting in an effort to secure increased attendance.

JUVENILES HELD

Four juveniles, 16 and 17 years of age, were apprehended and held on a car theft charge by Patrolmen Bud Meixner and Duke Worsham Tuesday night and are being taken to Nevada City. All, two girls and two boys, are from southern California.

More Highway To Be Presented For Contract Jan. 22

Freeway Through Truckee Is Next In Project To 4-Lane 21 Miles

State Director of Public Works Frank B. Durkee has authorized the division of highways to advertise for bids on another major freeway project on U.S. Highway 40 east of Truckee.

The project includes construction of six structures and 6.6 miles of four-lane freeway from west of Boca to east of Floriston. Bids will be opened January 22, 1958, in Sacramento.

Of the total of $9,450,000 available for the project, $6,900,000 is provided in the 1958-59 state highway budget with the remainder to be financied by the California Highway Commission in the 1959-60 fiscal year.

When this project is completed, it will link two other major highway construction projects to form nearly 21 miles of full freeway between the east end of Donner Lake and the Nevada stateline.

Completes Project

On the west the Boca-Floriston job will connect with a previously advertised 8.7-mile project between the east end of Donner Lake and Boca, which also is included in the 1958-59 budget.

On the east it will join a 5.4-mile freeway section now under construction between Floriston and the stateline, which is scheduled for completion late next summer.

The westerly portion of the Boca-Floriston freeway section will be constructed to the north of the existing route.

Structures to be erected include a bridge and overhead across the Truckee River and the Southern Pacific Railroad southeast of Boca, an undercrossing at Hinton road, the Iceland sidehill viaduct near the mouth of Gray Creek, a bridge across the Truckee River and an interchange at Floriston, and a bridge spanning the Truckee River northeast of Floriston.

Detour Being Built

A detour, now being constructed, will eliminate serious delays to traffic on this major interstate route in connection with construction.

Five major freeway projects on U.S. 40 east of Sacramento are included in the 1958-59 budget. The Boca-Floriston section is the third of these to be advertised since the budget was adopted by the highway commission last month.

The other 1958-59 U.S. 40 projects which have been advertised are the Donner Lake-Boca job, on which bids will be opened in Sacramento December 18, and a six-mile freeway development between Hampshire Rocks and Soda Springs in Placer and Nevada counties on which bids will be opened December 4.

The early call for bids on these projects has been made to provide contractors with an opportunity to inspect the terrain before it is covered by heavy winter snows.

Work In Spring

State law permits the awarding of highway contracts as early as January 1, six months before the start of a fiscal year.

Construction will begin some time in the spring, depending on when weather and snow conditions allow contractors to move in heavy equipment.

Highway officials plan, weather permitting, to have all five 1958-59 projects open to traffic by the end of 1959, in time for the 1960 Winter Olympics at Squaw Valley.

LONG TIME RESIDENT OF TAHOE EXPIRES

TAHOE CITY—Coroner Francis West investigated the death November 19 of Adolph Muller who was found dead in his home north of Tahoe City.

Muller had been a resident of the area for 35 years. A heart attack was believed to be the cause of death. The deceased was taken to Colfax.

COUNTY WILL CLAIM TAHOE BEACH LAND

AUBURN—Placer County Assessor Lloyd Geraldson says Lake Tahoe beach land will be claimed by the county unless adjacent landowners can prove title.

A so-called "no-man's land" on some lakeshore areas was formed when the state established an arbitrary low water line around the lake. Subdivision and lot lines in many cases do not go down to the low water line, leaving strips of lands that now belong to no one.

W.S.C.S. MEET

Members of the W.S.C.S. will meet December 4 in the home of Mrs. Robert Roth, with Mrs. Harry Barnes hostess for the afternoon. All those interested in the organization are extended an invitation to attend the session.

DRUNK DRIVING CHARGE

Wilber Lou Waterhouse, 26, of Sparks and Joseph E. Hobsen, Reno were arrested Tuesday night by the California Highway Patrol and ordered taken to Colfax for a hearing before Judge Crowe.

San Francisco ranks first among the leading cities in the nation in population gain per square mile.

NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

Date November 28th. 1957

Whereas, I was on the 1st day of November, 1957, directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated November 8th, 1957) to sell at public auction, for cash in lawful money of the United States, certain tax deeded property, public notice is hereby given that unless the said property is redeemed or an installment plan of redemption is initiated, as provided by law, I will on the 19th day of December, 1957, at the hour of 10 o'clock A.M. in the Tax Collector's Office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said property for a sum not less than the minimum price or prices set forth in this notice.

The parcel or parcels of property that are the subject of this notice are situated in the County of Nevada, State of California, and are described as follows:

Lots 12, 16, 19, and N½ of Lot 11 of Section 6, Township 17, N. R. 18 E. Mt. D. B. and M. containing 141 acres.
Last assessee: Wickes, Abigail A.
Minimum Price: $225.00.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law before the first bid is received, the right of redemption will cease.

Women At The Wheel

CHILD SAFETY—Basic requirements when driving with young passengers demand that they be well-disciplined, comfortably seated and that the car not be overloaded, advises the California State Automobile Association. Safety belts and other restraining devices properly installed are also recommended. But making certain that children are well-behaved and remain seated are "musts."

Sixth Assembly District Shows Drop In Report

SACRAMENTO — (CNS) —The changing picture of the counties' representation in the state legislature has been reflected in a report by Assemblyman Charles J. Conrad, Sherman Oaks.

Conrad, speaker pro tempore of the assembly, and Assemblyman William S. Grant, Long Beach, chairman of the committee on elections and reapportionment, issued a statement showing what latest population figures do to apportionment of the assembly districts throughout the state.

"From this current estimate the following changes in assembly districts seem apparent," the statement said. "San Francisco (down from 5.86 to 4.38 districts) will lose two seats. Alameda (down 5.59 to 4.94 loses one. Santa Clara (up from 2.20 to 2.98) gains one. Orange (up rom 1.63 to 2.98) gains one. San Diego (up from 4.21 to 5.09) gains one."

The Sixth assembly district, including Nevada, Placer, El Dorado, Amador, Calaveras, Alpine, Tuolumne, Mariposa, Inyo and Mono, loss of 0.16 assembly district since 1950, from .97 to .81.

DRIVE IS STARTED AGAINST HIGH TAX

Panzer drive against high taxes was launched at the meeting of the board of directors of California Taxpayers' Association, in Oakland, at the Athens Club, Thursday morning, November 14.

Speaking for the board, T. S. Burnett, of Los Angeles, president of the statewide Cal-Tax and of Pacific Mutual Life Insurance Company, said.

"Every time any one of our governments does not spend a dollar, it means a dollar left in our individual pockets or in the pockets of private enterprise.

"To put it right on the line, if the Nevada County government budget for 1957-58 had been $3713 lower, the county's tax rate could have been 1 cent less—and the property tax bills of the people in the county that much less," Burnett declared.

Every cent of countywide tax rate this year means a countywide levy on property of $3713, he explained.

"Every billion dollars Uncle Sam does not spend means $97,000,000 left in the pockets of the people of California—equivalent of about 40 cents in property tax rate statewide in California.

"Counties and the federal government are only two the whole array of governments which dip into the pockets of the people, and of business and industry, for tax money to pay for their activities,"

NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

Date November 28th, 1957

Whereas, I was on the 1st day of November, 1957, directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated November 8th, 1957) to sell at public auction, for cash in lawful money of the United States, certain tax deeded property, public notice is hereby given that unless the said property is redeemned or an installment plan of redemption is initiated, as provided by law, I will on the 19th day of December, 1957, at the hour of 2 o'clock P.M. in the Tax Collector's office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said property for a sum not less than the minimum price or prices set forth in this notice.

The parcel or parcels of property that are subject of this notice are situated in the County of Nevada, State of California, and are described as follows:

NW¼ of Section 25, Township 18, N. R. 17 E. Mt. D. B. and M.
Last essessee: J. N. Durney.
Minimum Price, $325.00.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law before the first bid is received, the right of redemption will cease.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Nice Weather

Sunday, and what a week this has been. Talk about Indian summer in November, well, this has been it, cool mornings, but full of sunshine during the day. Dry roads an deven Mt. Rose was as dry as could be and beautiful to look at. The men and equipment are working hard getting the new road all ready for the spring to put the finishing touch. North Tahoe is surely coming into its own, with new casinos opening in the summer and will most likely, also remain open all winter. The Biltmore work is to commence at any moment, according to Dick Brennan, and we hope he is right, as this should make a lot of work for our locals.

All Gone

Our friend, Deputy Sheriff Jerry Rapisarada has just about recovered from having tonsils out. He was in St. Mary's Hospital for a couple of days during the past week and is now rearing to go.

Stars

The L. K. (Bac) Fryes had as houseguests recently Actor Earl Halliman co-starring in the Rainmaker and numerous other recent movies. His mother, Mrs. Guy A. Bellotte of Oil City, La. and Associate Producer Paul Nathan of Hal Wallace Studios. Mrs. Bellotte is the mother of Earl Halliman and aunt of Jean Frye. Earl is the holder of 1957 Foreign Pres saward for best supporting actor, and we never did realize we had such notables in our midst.

Shop At Home

Sure nice to know that two of our popular businessmen are open all winter, Roy Porath of the Kings Beach Variety who has the biggest array of Christmas gifts ever, and Cloyd Sipes of the Kings Beach Barber Shop with his good assistant, Otto Walter, are open five days a week, Tuesday through Saturday.

Home Again

Doris McRae has returned from her trip with her son to San Francisco, she says it was too short, but, or, this Tahoe just gets a person, says Doris.

New Home

The Walt Baileys have moved into their beautiful new apartment over the new body shop at the top of Bear street. It is beautifully furnished and as comfortable as can be. Take a drive up and see the combination, you'll be surprised.

Christmas Trees

If you are intending to cut trees to take out of the area, be sure and get a notorized cutting permit from the owner. If you do that, you can transport up to five without procuring a transporting permit but over that amount you must get a permit to take same out of Placer County, otherwise the penalty is tough.

On Trip

Joyce and Oscar Lekang of the L&L Motel in Kings Beach, left last Monday for San Jose for a few days and I hear they are to become grandparents again as their daughter intends to present them with a grandchild.

On Long Trip

Well, our friend, Harry Stubley has left on a long trip vacation. He will visit Boston, New York and other states. He claims he has sisters in each place he visits but when asked if they were really his sisters, he remarked well they are somebody's sisters. He will return around the beginning of the new year.

Why Not Start Now

There has been passed a new ordinance regarding curfew hours in Placer County which prohibits anyone under 18 from loitering on public highways or in public places in unincorporated areas, except juveniles accompanied by their parents or guardian. Violations mean juvenile court or jail for parents.

Sold and Left

Joe Rossi, a neighbor across the golf course on the Truckee shortcut, has recently sold his very cute home and has returned to his home in Oakland on account of ill health. Sorry to see Joe leave. He had been a dealer at the Monte Carlo.

Sells Home

I hear that Dr. Charles S. Young has sold his beautiful home on the highway in Kings Beach. The purchaser is unknown at the moment.

Thanksgiving Away

P. L. Waters and Mrs. Waters have left for West Covina where they will spend Thanksgiving with their son and daughter-in-law, and upo nreturn will make ready their Ceramic Shop for the Christmas trade.

For A Few Days

Dave Ashton is spending Thanksgiving with his sister, Rosalie, and family at Son Jose. Ned Malla and his mother are leaving for Palo Alto for Thanksgiving, at least his mother is. I kinda have a notion that Ned will sneak away for some pheasant hunting.

New Bridge

The new bridge on the Truckee shortcut will be ready to travel over any day. That is the first step toward a real highway across to Truckee, somethin we have hoped for many years.

Happy Birthday, Debbie

Little Debbie Sipes spent her second birthday amidst a galaxy of pretty young stars. It was such fun for all ,even the grownups had the time of their lives. It was so cute to hear the children singing Happy Birthday; and they meant it, too.

Edsel Is Here

The first new Edsel car arrived in Kings Beach a couple of weeks ago and was brought in by friends, the Harvey Klitzkes.

Tahoe Items

The Placer County Well Baby Clinic will not be held at Kings Beach during December, but is expected to resume the third Friday in January.

Ernest Hoerdler has left Tahoe City for Covina after a brief stay

Charles White, Jr., of Kings Beach wrote that his winter quarters will be at Palm Desert, Calif.

Misty

Monday mornnig we had quite a bit of mist around the lake, otherwise quite dry, no snow in sight.

Lions' Party

Lions and their ladies have planned a Christmas party to be held at the home of the Walt Mandevilles, just out on Incline Beach. All are taking gifts ond will be more or less of at potluck dinner. It is to be at 7 p.m. on Tuesday, December 3, a trifle early in order that all may attend before the rush season gets here.

CERTIFICATE OF BUSINESS
Fictitious Firm Name

THE UNDERSIGNED does hereby certify that he is conducting an electrical contracting and retail merchandise business at Truckee, County of Nevada, State of California, under the fictitious firm name of BUD'S ELECTRIC and that said firm is composed of the following persons, whose names and addresses are as follows, to-wit:

H. L. Owens, P.O. Box 395, Truckee, California.

WITNESS my hand this 20th day of November, 1957.

Did you ever hear a man brag about his $14.95 watch? . . . .

Of course not! Nor will you hear a man brag about a broken down car or sagging house! For, like an automobile or home, a watch symbolizes success and position in life.

The fact is that magnificent Hamilton Watches, time-honored throughout the world for more than 60 years, are superior watches . . . in craftsmanship, styling and beauty . . . true aristocrats of the watchmakers' art.

For many years, among folks who realize how much satisfaction and pride there is in wearing a truly fine watch, Hamilton has been the exclusive choice! Yet, like superior products of any kind, Hamilton Watches actually cost less to own. Their brilliant styles will look fresh and new for years to come, and with unusually rugged, yet highly accurate precision movements, they should provide lifetime service with few repairs.

After years of selling fine watches and jewelry, I am convinced that a Hamilton Watch — regardless of price — actually costs you less and gives you more than any so-called "bargain" watch.

NOTICE OF HEARING ON and PASSAGE OF RESOLUTION FOR EXCLUSION OF CERTAIN LANDS FROM DONNER SUMMIT PUBLIC UTILITY DISTRICT

NOTICE IS HEREBY GIVEN, that the Board of Directors of Donner Summit Public Utility District on the 20th day of November, 1957, passed and adopted Resolution No. 57-2, providing for the exclusion of certain lands from said District, as described in said Resolution to which reference is hereby made for greater particularity; AND

NOTICE IS FURTHER GIVEN, that all persons interested are to appear and show cause, if any they have, why said lands should not be excluded, at a hearing before this Board on the 18th day of December, 1957, at the hour of 8:00 o'clock P.M., of said day, at Donner Summit Lodge, Soda Springs, Nevada County California.

DATED this 20th day of November, 1957.

DONNER SUMMIT PUBLIC UTILITY DISTRICT
By MARIE STRICKLAND, Secretary.
N28-D5

RESOLUTION NO. 57-2 of DONNER SUMMIT PUBLIC UTILITY DISTRICT PROVIDING FOR THE EXCLUSION OF CERTAIN LANDS AND FOR NOTICE OF HEARING THEREON.

WHEREAS Section 17531 and following of the Public Utilities Code of the State of California establishes procedure for the exclusion of lands from a public utility district; and

WHEREAS said Donner Summit Public Utility District is a district duly organized and existing under the Public Utilities Code of the State of California, and desire and intend to undertake proceedings for the exclusion of certain lands from said District;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS thereof, as follows:

1. That there are certain lands situated in the Counties of Placer or Nevada, State of California, as hereinafter described, exclusion of which is for the best interests of said District;

2. That the lands so to be excluded are situated in the Counties of Placer and Nevada, State of California, and are more particularly described as follows:

All those certain lots, pieces, parcels and portions of land now situated in the Counties of Placer and Nevada, State of California which were formerly a part of Donner Summit Public Utility District, but which now lie outside the following described parcel:

Commencing at the center of Section 22, Township 17 North, Range 14 East, MDB&M, the point of beginning, and running thence Northerly along the North-South center line of said Section 22, one-half mile more or less to the North line of said Section 22, thence Easterly along the North line of Sections 22 and 23, one and one-half miles more or less to the point of intersection of the North lines of said Sections 22 and 23, with the West bank of Upper Castle Creek, situated in the NE¼ of Section 23, thence Southwesterly along the West bank of said Upper Creek to the point of intersection of said West bank of Upper Castle Creek with the Northerly shore of Lake Van Norden, situated partially in the South half of said Section 23, thence Westerly along the North shore of said Lake Van Norden to the point of intersection of said North shore with the North-South center line of said Section 23, thence Southerly along said North-South centerline of Section 23 to the point of intersection thereof with the East-West centerline of the South half of Sections 22 and 23, thence Westerly along said East-West centerline of the South half of Sections 22 and 23 one mile more or less to the point of intersection with the North-South centerline of said Section 22, thence Northerly along said North-South centerline of said Section 22, one-fourth mile more or less to the center of said Section 22, also the point of beginning; all Township 17 North, Range 14 East, MDB&M.

(Being the exterior boundaries of Donner Summit Public Utility District as described in Annexation Order 57-1, recorded August 19, 1957 in Volume 235, Official Records of Nevada County, pages 516 and following thereof).

3. That all interested persons shall appear and show cause before this Board on the 18th day of December, 1957 at the hour of 8:00 o'clock P.M., at Donner Summit Lodge, Soda Springs, California, being the time and place hereby set for hearing, then and there to show cause why said lands should not be excluded.

4. That the Secretary hereof shall and is hereby directed to give notice of the passage of this Resolution and of the time and place of hearing thereon for the time and in the mannor required by law; said Notice to be in substantial compliance with the form attached hereto.

PASSED AND ADOPTED at a special meeting of the Board of Directors this 20th day of November, 1957, by the following vote:

Ayes: Pratt, Peyer and Williamson.
Noes: None.
Absent: None.

DONNER SUMMIT PUBLIC UTILITY DISTRICT.

TnT Tidings

by NANCY WATTS

About 70 girls at TnT are on pins and needles and will be until just after Thanksgiving vacation. They have tried out for the Wolverettes basketball team and the names of the girls who have been chosen will not be posted until Monday, December 3. You can imagine what the state of most girls' nerves will be by then! The team will consist of about 18 players and is scheduled to play from six to eight games in the coming season.

* * *

Last Friday, an election was held for a new cheerleader. One of the varsity cheerleaders, Koby Kishor, had left Tahoe-Truckee and, as our first basketball game will be played in about a week, a substitute was badly needed. The candidates for this office were Carol Ann Quilici, Jo Ann Van Hooser, Joyce Slate, Bev Gunkel, and Penny Hulburt. Joyce was elected. Congratulations! Also at this election, an amendment to our constitution concerning the qualifications for majorettes was passed.

Ramona and White Federation are the major varieties of wheat grown in California.

NEWS NOTES FROM TAHOE

By Naomi McLane
Tahoe City, Box, 711. Juniper 3-3187

Rotary Club

Twenty-eight members and four visitors attended Rotary Tuesday night at Bacchi's Inn in Lake Forest. Robert Howell was a fellow Rotarian from the Brockway Club. Hank Aldrich of Lincoln and Tahoma was Ralph Bly's guest; Ernest Pomin brought his nephew, Stanley Pomin, Jr., of Sparks, and Bob Tonini was host to Cliff Wright, a Pacific Telephone and Telegraph engineer from Auburn. President Warren Porter gave an interesting account of his recent vacation trip with Mrs. Porter to many of the National Parks and resort areas in Utah, Colorado and Arizona.

Women's Club

Two important dates for the Women's Club of Tahoe are the following: December 5 is the annual Christmas party to be held Bacchi's Inn at noon. Guests are most welcome but each person is reminded to bring a gift for the fun of exchanging. Also President Martha Snyder would like to remind members to bring their gifts of cookies and candies for the veterans in Reno at this time. On December 12, the following Thursday, a tea and cocktail party for members will be held at the home of Mrs. Don Snyder from 1 till 4 p.m. The committee in charge of this party is composed of the Mesdames Howard Guth, Phil Geier, James Martin, Raymond Houston and Don Snyder.

Nursery School Doll

The nursery school mothers will again this year dress a beautiful doll as they did last. This doll will be on display at each of the three markets in town until the date of its being given to some lucky winner. You may buy tickets for this doll from any nursery school mother or get in touch with the school director, Elaine Wright, or with Mrs. Jean Legras, committee chairman.

Celebrate

The Ken Dunns and Charles Henriksons celebrated their November wedding anniversaries together by dining in Reno last week. It was the sixth anniversary for Dunns and the eleventh for the Henriksons.

To North Dakota

Mr. and Mrs. Ernest LePire of Lake Forest left Thursday for a month long visit in North Dakota. Both of the LePires come from there and they will visit many friends and relatives. Ernie's father is 98 years old and still hale and hearty. LePires will return home immediately following Christmas. On their way home they will visit Mr. and Mrs. Ronald Grinstead and Jerie who have moved to Idaho this week.

Return From Trip

Mr. and Mrs. A. A. Snynder, also of Lake Forest, returned from a vacation trip in Oregon in time to move into the LePire home where they are "dog sitting" the fine old Australian shepherd who has taken care of the LePire's for many years. Snyders will stay there until after Christmas. Bob Snyder is renovating his home to be ready for his forthcoming marriage.

To Modesto

Bob and Dorothy Wray and their daughters, Joanne and Rosemary went down to Modesto where they visited Dorothy's sister, Mrs. Henry Ford, of the valley city and Tahoma.

Visits Friends

Duane Pomin has been visiting friends and family here for the past week. She returned to Berkeley with Jim Reynolds and his dog, Falco. Reynolds will have to spend part of the Thanksgiving weekend in the hospital for minor surgery.

Away For Holiday

Many families will spend the Thanksgiving holidays away from the lake. Among these are Mr. and Mrs. Steve Korich who will be with relatives in the valley. The Alan M. Lewis' will also go below to join other members of their family. Bob Jorgensen is taking the remainder of his vacation at this time so he and the family will spend some 10 days in Oakland. The Don Snyders will join their sister, Mrs. E. M. Schnell, in Stockton for the holiday feast. Cliff Plew and his wife and children plan to go to Atascadero to be with the children's grandmother.

Full Sundays

Sundays are becoming very full at the growing church at St. Nicholas Hall at the summer Chapel grounds. Besides the regular services for worship at 11 a.m. there is a confirmation and enquirers' class there at 6 p.m. At 7 p.m. a half hour service of prayer and song and at 7:30 the Youth Fellowship meeting. Other dates to remember are the vestry meetings at 7 p.m. Monday evenings and choir practice at the same hour on Wednesday evenings. The choir wanted a special word of thanks to go to all who donated so generously with time and things in making their benefit dinner such a success.

PTA Ball Success

Another successful evening certainly was the PTA Harvest Ball Saturday night. The decorations were beautiful and the buffet supper reached banquet proportions. It was delicious. Monty Ballew of Kehoe's Market deserves much credit for his wonderful fried chicken. Everyone would have liked to have won the portable TV set and everyone was equally glad that Bob Tonini did. Steve Korich made such a fine auctioneer of cakes that there is a mild movement afoot to run him for senator. President Mrs. Oliver Henrikson was responsible for the lovely scroll which clearly named all the business establishments which gave so generously for this party. Mrs. Dave McBride and Mrs. Les Spitsen were responsible for the autumn decor and Mrs. Bud Jones was chairman of the ways and means committee. The next PTA meeting will not be held until January at which time it is hoped the telephone company film, Mr. Sun, will be shown.

Clear Site

As a last minute note I have just learned that excavating began this morning by the Henrikson brothers on the new site for the permanent home of St. Nicholas Church. This site is between the dam and the Swedish Farm House. There is a lovely outlook of both the near lake and the distant mountains. Loren Holmwood has made beautiful drawings of the projected building. These may be seen at Charles Beardsley's office at the Y.

Tahoe-Truckee School District News

Truckee Elementary

KINDERGARTEN: We completed our history booklets this week. They were made up of pictures and drawings, starting with Columbus and running through the first Thanksgiving.

We were sorry to say goodbye to Mark Hooper, who moved to Sacramento with his family.

FIRST: We are glad to welcome a new boy to our class. His name is Earl Knauss.

We had nine children lose teeth this week. They included Terry Higgins, Steve Kenyon, Roxanne Wright, Nadine Farley, Karen Reid, Larry Juliet, Earl Knauss and Peggy Trujillo. They will be singing: "All I want for Christmas are my two front teeth."

FIRST AND SECOND: Bruce Leamon, George Franceschini, Joe Mitchell, Eddie McCarroll, Brian Smart, Jeffery Jellin and Curtis Melugin have completed the three pre-primers and "Guess Who" and are now reading "Fun with Dick and Jane."

Second graders Beverly King, Karel Sauby, Linda Russell, Judy Ingalls, Kathie Hart, Elgin Johnson, Michael Kydd, Kathy Gehrke and Stephen Keith completed "Friends and Neighbors" and are now reading "More Friends and Neighbors."

In the six weeks spelling test the following second graders received a perfect score: Michael Borden, Rosa Pinedo, Karel Sauby, Kenny Bretthauer, Rod Farley, Kathy Gehrke, Elgin Johnson, Beverly King, Chris Kumle, Michael Kydd, Tommy Romo, Victor Rice, Jerry Neugebauer, Jennifer O'Bear and Linda Russell.

FOURTH: The fourth grade has a new room committee made up of S. VanSickle, David Schreck, John Sturke, Debbie Ellis, Joyce Randall and Connie Rhoades. The creative talents in writing poetry were expressed by the class; exceptionally good poems being written by B. Saarni, D. Pankoke, J. Knoff, C. Hintz, D. Ellis and L. Digesti. Teddy Daniels made a very clever puppet's head which struck the fancy of the entire class. In social studies, Fosten Wilson achieved an outstanding grade for his showing in a different exam. Penmanship merits go to Mike Snow and Joyce Randall. All of us were happy when the whole group of hands above the board were turned with the clean side out. Laugh of the week: Charles Hintz's two big apples for the eacher preceding examinations.

FIFTH: The fifth grade is doing map work on the New England states. Special reports were given Wednesday by Judy McGwinn, Marcia Leamon and Eddie King.

In arithmetic, the whole class is compiling an arithmetic dictionary.

Those making a perfect score in spelling were Dennis Douglas, Marcia Leamon, Judy McGwinn, Gloria Boyer and Wade Mosby.

SIXTH: This week those who made 100 in arithmetic test were Roy Barnes and Leilani Braasch. Those who made 100 in spelling are Robby Kaspian, Richard Sorani, Norman Doolittle, Susanna Scuitto, Leilani Braasch, Candy Young, Ronald Brown, Daryl Androus, Roy Barnes, Bobby Frates, Leonard Hensley, Rebecca Euer, Liane Kay, Kenny Stumbaugh, Jerry Forrester and Evelyn Hintz. We are working on some all over designs for our Thanksgiving decorations.

Kings Beach School

KINDERGARTEN: We have two new Thanksgiving songs and we have colored turkeys. We are making pine cone turkeys. A new kindergartener this week is Andrew Timberlake.

FIRST: This week, one group finished their reading book. We made very attractive turkeys. They are hanging in the hall.

SECOND-THIRD: Our class enjoyed the Chinese play, put on by the high school drama class.

In social studies, we are studying about community helpers. This week, we are learning how important the police are to a community.

Our new girl is Gayle Cernasak.

THIRD-FOURTH: We have a new boy, Darryl Cernasak.

We are finishing the first group of reading books this week. Each child had advanced one step in reading.

FIFTH-SIXTH: Just for fun, we are learning a French song and a few French words. Yesterday, the fifth and the sixth started a new unit of social studies. We are enjoying our mural in the hall from the last unit.

LIVE BETTER... Electrically
STATEMENT OF PRINCIPLES

The Truckee Public Utility District:
Was created in 1927 by the Citizens of Truckee for the express purpose of supplying adequate Electric Service, when and where it is needed, at the lowest rates consistent with sound business principles.

The Truckee Public Utility District:
Is consumer-owned, its customers and its stockholders are one and the same, with the result that it has one master and one loyalty—the community and its citizens.

The Truckee Public Utility District:
Has no conflict between consumer and "Stockholder" and with direct control of its operating policy by the people it serves, your Utility District is in an unequalled position to serve the community.

TO THESE PRINCIPLES YOUR DIRECTORS AND MANAGEMENT ARE COMMITTED

A new world of telephoning is yours, Nancy Hedberg! Here's a brand new color phone that telephone man Jack Vidano is putting in your kitchen. Pretty wonderful, isn't it? Well, Nancy, this is a time of wonderful new telephone things. More and more grown-ups are dialing their own long distance calls these days. We've found many new and better ways to bring cross country those network TV shows you love. And think of the new phone lines that speed voices deep beneath oceans to Hawaii, Alaska and England. Don't forget the hands-free Speakerphone, either. Or the handy phone that takes messages all by itself. All these new things, Nancy, add up to this: We're working to bring you—and everybody—the very best telephone service.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Regular meeting, Friday, November 1, 1957.

Present: John T. Trauner, clerk; Wm. J. Cassettari, deputy district attorney.

The meeting was called to order at 10:10 A.M. by the Chairman of the Board and all members were noted as being present.

The minutes of the meeting of October 16, 1957 were read to the Board by the Clerk, and upon a motion made, duly seconded, and passed unanimously, the minutes were approved as read.

A motion was made by Supervisor Coughlan, duly seconded, and passed unanimously directing the Clerk to publish the proceedings of the Board in the Sierra Sun for the month of November, 1957.

Mrs. Wetzel appeared before the Board with a delegation from the residents of the French Corral area and petitioned the Board to work on the road from Peterson's Corners to French Corral. There was no action taken by the Board at this time and the petition was filed with the Road Commissioner.

The County Assessor, Mr. Charles Kitts, appeared before the Board and rendered a report relative to certain cancellations of assessments as requested by the State of California for highway right-of-way purposes.

At this time the Road Commissioner, Robert K. Graham, appeared before the Board and requested that authority be granted the Road Department to enter into a contract with the Freuhauf Trailer Corporation for a dump trailer. A motion to that effect was made by Supervisor Robinson, duly seconded, and passed unanimously.

A motion was made by Supervisor Robinson, duly seconded, and passed unanimously, authorizing the attendance of Mr. Charles Kitts, County Assessor, and Mrs. Dorothy Simmons, Deputy Assessor, at the Assessors' conference to be held in Santa Barbara, California, on November 4th. The expenses incurred therein are to be deemed a proper County charge.

At the request of Mr. Hathaway of the office of Civil Defense, a motion was made by Supervisor Robinson, seconded by Supervisor Smart, adopting a Resolution authorizing the purchase of certain surplus properties for use in the County. Upon a roll call ballot, a unanimous vote was recorded.

After a discussion with Mr. Wayne Brown, Sheriff of Nevada County, Mr. Hathaway of Civil Defense, the District Attorney, and the Board, a motion was made by Supervisor Smart, seconded by Supervisor Bishop, directing the Auditor to transfer the sum of $500.00 from Unappropriated Reserves to Budget Code No. 545 in the Capital Outlay category for surplus property procurement. Upon a roll call ballot, a unanimous vote was recorded.

Mr. John Trauner, County Auditor, rendered the Auditor's monthly fund balance report to the Board, and after discussion, the Board received, approved and ordered filed, the report from the Auditor's office.

Mr. A. Parsons appeared before the Board as the Planning Consultant from the Planning Commission. A letter from that Commission was read to the Board by the Clerk relative to the enactment of a building code in the County of Nevada. The Board was polled by the Chairman as to their feelings on the desirability of enacting such an ordinance, and it was apparent to the Chairman that the general feeling of the Board was that a building code should not be enacted at this time.

Miss Elma Hecker, Treasurer and Tax Collector, appeared before the Board and requested that four parcels of land be put up at public auction. After a discussion as to the feasability thereof, a motion was made by Supervisor Smart, duly seconded, and passed unanimously, directing the Tax Collector to put up for sale at public auction, four parcels of tax deeded lands.

Mr. John Nettell, County Recorder appeared before the Board and requested authority to attend a conference of the Northern California Recorders' Association in Sacramento on November 15th. A motion authorizing such a trip was made by Supervisor Smart, duly seconded and passed unanimously.

Mr. Downey Clinch and Mr. Robert Paine, members of the Nevada County Airport Commission, appeared before the Board and rendered a report on the activities of that Commission to date. The Commission was complimented on their efficient job by Supervisor Bishop.

Mr. Stan Halls, Chairman of the County Building Committee, appeared before the Board and rendered a report on the activities of that Committee. Mr. Halls announced that there would be a meeting held in the Truckee area on November 8th for the purpose of determining the building needs in the eastern end of the county.

The rest of the morning session was devoted entirely to the scrutinization of monthly claims payable by the County, and the following were allowed for payment:

General Fund, No. 8854 to No. 1044, $18,396.89.

Salary Fund, No. 1711 to 1918, $56,817.37.

Welfare Fund, No. 5209, to No. 5263, $4,316.87.

Welfare Fund (assistance), No. 5264 to No. 6283, $80,276.76.

Hospital Fund, No. 217 to No. 272, $6,091.55.

Veterans Building Fund, No. 31 to No. 44, $390.48.

Promotional Fund, No. ——— to No. ———.

Spec. Rd. Imp. Fund, No. 269 to No. 331, $46,511.03.

At this time the Board adjourned for lunch to reconvene at 2:00 P.M.

AFTERNOON SESSION:

The Board reconvened at 1:50 P.M. and all members of the Board were noted as present.

Mr. Floyd Pond, Probation Officer, requested permission to attend a conference on November 13th in Willows, California, and a motion authorizing such a trip was made by Supervisor Bishop, duly seconded, and passed unanimously.

A motion was made by Supervisor Smart, duly seconded, and passed unanimously, authorizing the Chairman to sign an agreement with the State of California providing a subsidy for the services of the County Veterans Service Office in the amount of $4,000.00.

Mr. Denis Christin requested that the Superintendent of Schools' office be allowed to attend a conference on November 8th in San Francisco and on December 2nd in Sacramento. A motion authorizing such a trip was made by Supervisor Robinson, duly seconded, and passed unanimously.

Correspondence was read to the Board from various sources by the Clerk relative to a sales tax ordinance. The District Attorney presented the Board with an enabling ordinance to enact for a uniform sales tax. The proposed ordinance was read to the Board by the Clerk and after the reading of the ordinance, the Chairman of the Board asked any persons in the audience in favor of the tax to please make their wishes known. Admiral H. J. Ray, City Manager of the City of Nevada City, made remarks relative to the City's position and feeling on the enactment of a sales tax.

Mr. Edward Litke then announced from the floor that he favored the enactment of a sales tax but not the proposed division of that tax.

Mr. D. Thomas stated that he favored the enactment of a uniform sales tax but not the division wth the cities.

At this time the Chairman announced and called for any persons from the floor who were opposed to the enactment of a sales tax ordinance. Mr. John Walker, representing the County Farm Bureau, stated that he felt that a statement should be provided as to the distribution of the tax should it be collected. Mr. Walker further announced that he felt the tax was an equitable tax, but more study should be given toward the divisions or splits with the various incorporated cities.

Mr. Sanford arose from the audience and stated that he was in favor of the tax, but was not in favor of dividing it with the cities.

Mr. C. Gassaway announced from the floor that he was in favor of the tax and that he felt it was an equitable tax. He was opposed, however, to the enactment of an ordinance until an equitable distribution of the tax between the cities and the County could be reached. He further stated that he felt the basis of that division should be based upon either the population ratio or the assessed valuation ratio.

Mr. R. Schorr spoke from the audience and announced that he was in favor of the tax, but felt the County should receive the benefits therefrom.

Mr. E. Sieh stated that he was in favor of the tax, but felt that more study should be given before the ordinance should be adopted.

A lengthy discussion was entered into by the various persons present in the audience and the Board of Supervisors. Supervisor Smart then made a motion to table the ordinance for further study. The motion was seconded by Supervisor Coughlan, and after a further discussion, unanimously carried.

Mr. W. W. Brunker was authorized by the Board at this time to set up another meeting with the committee that had been appointed by the Chairman to attempt to iron out some of the differences in opinion.

At the request of the District Attorney, and upon a motion made by Supervisor Smart, seconded by Supervisor Bishop, a Resolution was adopted transferring the function of property tax assessments, apportionments, and collections from the officers of the City of Grass Valley to the appropriate officers in the County of Nevada in accordance with the Statutes of the Government Code. Upon a roll call ballot, a unanimous vote was recorded.

Mr. Clare Hughes, Purchasing Agent, appeared before the Board with bids on the paving of the play area and driveway of the Detention Hall and on the reroofing of the Veterans Memorial Building in Grass Valley. After a discussion relative to the work to be done at the Detention Hall, it was ascertained that no specifications had been set up for that work. A motion was made by Supervisor Bishop, duly seconded, and passed unanimously, directing Robert Steger to draw plans and specifications for the necessary paving at the hall. Bids were then read from the different companies relative to the reroofing of the Veterans Memorial Building in Grass Valley. After a discussion with the Purchasing Agent, the Board decided to defer the bids pending a more complete investigation.

A general discussion was held at this time by the Board on various road policies, with no official action being taken.

Upon a motion made by Supervisor Bishop, duly seconded, and passed unanimously, the Clerk was directed to write a letter to the Veterans of Foreign Wars in Nevada City approving the issuance of a Club License to that organization housed in the Veterans Memorial Hall in Nevada City.

At the request of the District Attorney, and upon a motion made by Supervisor Bishop, duly seconded, and passed unanimously, Mr. Leonard Lageson was reappointed as Agricultural Commissioner and Sealer of Weights and Measures, effective July 1, 1957, for a term of four years from that date.

Mrs. Margery Worth, Welfare Director, appeared before the Board and rendered the welfare report for the month of October, 1957. The report was read, approved, and ordered filed.

A discussion was held on the contract in effect between the Tahoe Forest Hospital and the County of Nevada relative to the caring of indigent County patients in the eastern end of the County. It was suggested by the Auditor that the contract should be renegotiated and a determination be made as to the proper methods of payment for services rendered by the hospital.

The Chairman of the Board appointed Mrs. Worth, Mr. Veale of the County Hospital, and the Auditor, to determine the proper methods of the payment and the proper contract stipulations and to report back to the Board on November 19, 1957.

Messrs. Richard Swanson, F. W. Wilson, N. Dolley, J. Giardella, and J. Sherritt appeared before the Board as a delegation from the town of Truckee and requested that consideration be given them by the Board of Supervisors toward the endorsement of a project of obtaining a locomotive from the Southern Pacific Railroad for use as a monument in Truckee. After a study of the proposal, the Clerk was directed to write to the Southern Pacific Railroad Company for further information and to report back to the Board on November 19th.

There being no further business to come before the Board at this time, a motion was made, duly seconded, and passed unanimously, to adjourn to meet again on November 19, 1957, at 10:00 A.M.

thereof.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on December 18, 1957, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, near Truckee between 1.4 miles west of Junction Routes 37 and 38 and 0.5 mile westof Boca (III-Nev-37, 38-D, A), about 8.8 miles in length to be graded and surfaced with concrete pavement and plant-mixed surfacing to provide a 4-lane divided highway; 11 bridges are to be constructed; highway lighting, steel sign structures, and a truck scale house with attendant facilities are to be constructed or installed.

Bids are required for the entire work described herein.

In accordance with the Streets and Highways Code, this contract will not be awarded prior to January 1, 1958.

The time limit specified in the special provisions for the completion of the work contemplated herein is, in the opinion of the State Highway Engineer, insufficient to permit completion of the work by the Contractor working a normal number of hours per day or week on a single shift basis. It is expected that additional shifts will be required throughout the life of the contract to the extent deemed necessary to insure that the work will be completed within the time limit specified. Any additional costs occasioned by compliance with these provisions will be considered to be included in the prices paid for the various contract items of work and no additional compensation will be allowed therefor.

The attention of bidders is directed to the fact that the work herein proposed to be done will be financed in whcle or in part with Federal funds and that therefore all of the applicable Federal statutes, rules, and regulations will apply to such work.

The attention of the bidders is particularly directed to the provisions of Section 7, article (a), subarticle (6), of the Standard Specifications regarding the use of domestic materials; to the provisions of Section 8, article (b), of the Standard Specifications regarding assignment of the contract; to the requirements of Section 7, article (h), of these special provisions regarding non-collusion among contractors; to the requirements of the special provisions regarding subcontracting; and to the prevailing wage rates predetermined by the Secretary of Labor as provided in Sections 5 and 7 of the special provisions.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions.

In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Rate Per Hour	Classification
	Skilled Labor
$3.30	Asphalt plant engineer

2.505	Flagman
2.505	Laborer
2.505	Limber, brush loader and piler

The minimum wage paid to all skilled labor, for which rates are not shown above, shall be not less than $2.705 per hour.

The minimum wage paid to all intermediate labor, for which rates are not shown above shall be not less than $2.505 per hour.

The minimum wage paid to all unskilled labor, for which rates are not shown above, shall be not less than $2.505 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Plans, specifications, and standard proposal form to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

DEPARTMENT OF PUBLIC WORKS,
DIVISION OF HIGHWAYS.
G. T. McCoy
State Highway Engineer.

Dated November 15, 1957.
N14-21-28

EXEMPTIONS CITED IN LOCAL TAX ROLL

SACRAMENTO (CNS) — Private property assessed at $1,324,200,000 is missing from local assessment rolls because of exemptions, the state board of equalization reported.

This was an increase of 10 percent in value over the past year. The board said the exempt property, if taxable, would have produced at least $80 million in tax revenues, providing at least that much tax relief to other taxpayers.

Four types of exemptions are involved—church, college, welfare and veterans—with the latter accounting for more than 70 percent of the total value. Nearly 1.1 million veterans were relieved of paying taxes on $930 million property. The acreage exemption was for $853.

In Nevada County, exempt property was assessed at $1,521,000, the board reported. This included 1408 veterans with an assessed value of property of $1,293,000 for a $918 average. Other exemptions included 33 churches with property valued at $181,000 and seven welfare agencies, with property valued at $47,000.

Date Is Set For Giving Examinations To Those Seeking Judge Offices

Chief Justice Gibson, as chairman of the judicial council, announced that February 1, 1958, has been set as the date of the regular examination which the judicial council is required by the law to conduct in order to qualify lay candidates for the office of judge of the justice court.

This examination will be given in every county having a justice court and in which applications to take such examination have been filed. Announcements stating the scope of the examination will be posted at each county seat at least 30 days prior to February 1, 1958. The examination will be written and will cover the jurisdiction, practice and procedure of justice courts, as well as the duties and responsibilities of their judges. Application forms will be supplied to the county clerks by the judicial council, and persons desiring to take the examination must file applications in the office of the county clerk not less than 10 days prior to the examination date.

A committee composed of a superior court judge, the county clerk, and a member of the state bar will administer the examination in each county under regulations prescribed by the judicial council.

Under the court reorganization effected several years ago, a candidate is not eligible for election or appointment to the office of judge of a justice court unless he is an attorney or has passed a qualifying examination. Judges of the old system automatically succeeding to offices in new courts were expressly exempted from this requirement. The examination is being given at this time in order to permit persons to qualify as candidates for the office of judge of the justice court at the June 1958 primary election.

PROPER LIGHTING IS REQUIRED BY CARS

SACRAMENTO—The proper use of vehicle lighting equipment is necessary for safety at night, says the California Highway Patrol.

"Using parking lights as driving lights and failure to use the proper headlight beam when following, passing, or meeting another vehicle on the highway are two hazardous and illegal practices," declared Patrol Commissioner B. R. Caldwell. "Parking lights when used as driving lights tend to deceive the other driver, creating false illusions of distance and speed of oncoming cars.

"A blinding high beam from an oncoming car or a car following you can reduce your vision to zero for a few seconds at least," Caldwell said. Lowering the beam to avoid blinding the ther driver is a legal responsibility of every motorist when driving at night.

"The law requires you to use the lower beam when approaching an oncoming car within 500 feet or when following another car within 200 feet," he continued. "The law also makes it illegal to use the parking lights as driving lights anytime upon a highway except when such lights are being used as turn signals in accordance with the vehicle code.

"The patrol urges every driver to keep in mind that the proper use of lights is a symbol of your courtesy; drive within the law and avoid accidents."

Pete Zydner left Donner Lake Tuesday for Bakersfield. He said that his son, Paul, is being transferred by an air craft company from the south to Sunnyvale and said the family, including himself probably will locate in northern California so that they can spend more time in this area.

Goes East—
Mrs. Ernest Olson left by airplane to visit her brother at Sioux Falls, S. D., whom she has not seen for several years.

From Capital—
Mr. and Mrs. William Scanlon and four children, formerly of Sacramento are living at Donner Lake.

St. Claires Travel—
Mr. and Mrs. Anthony St. Claire left Donner Lake this week to spend the next two months with their son, Donald, who is a student at Philadelphia. The trio also plans to spend some time in Florida before returning here next year.

Boehms Here—
Forest Ranger and Mrs. E. E. Boehm of Hat Creek, former local residents, visited friends here briefly Tuesday. They are looking forward to his retirement and their return to Truckee for a permanent home.

Party Hostess—
Mrs. John McGlade was hostess last Wednesday evening at a card party, refreshments concluding the affair.

32 BEGINNERS START SQUARE DANCE HERE

Thirty-two budding square dancers gathered at the Veterans building last Thursday evening for their first class session. This group of young people will meet again this Friday evening at 7. Instructor Lloyd Everett announces that this class will normally meet from 8 to 10 on Thursday evenings.

The Donner Dancers are also sponsoring a beginners class for adults which meet meet on Friday evenings from 7 to 9 at the Veterans building. John and Sophie Levra will be the instructors and the first meeting for this group will be on December 6.

The regular dancing party will follow the class session tomorrow night and every Friday night. There is no charge for either instruction or the parties.

Carroll Clark was the guest of the Donner Dancers last Friday.

STATE PARK SYSTEM TO BE GIVEN STUDY

An intimate look at the California state park system—its programs and problems will be a major area of discussion for the travel and recreation committee session at the California State Chamber of Commerce 30th annual statewide meeting to be held December 5 and 6 at the Los Angeles Biltmore Hotel.

Newton B. Drury, chief, and staff, state division of beaches and parks, Sacramento, will present aspects of the California state park system in regard to financing, administration, public demand, and legislative directives. Audience participation will be encouraged.

Chairman of the travel and recreation committee is Joseph R. Knowland, publisher, Oakland Tribune. Anderson Borthwick, president, the First National Trust & Savings Bank of San Diego, is the committee's vice chairman, and James H. Hammond, travel and recreation director of the California State Chamber of Commerce. its secretary.

QUEEN'S VISIT

Here's good news from Heller's Variety. The View-Master picture packet that shows Queen Elizabeth's recent visit to America is now in stock. Here are 21 exclusive photographs of the tour all the world has been talking about. Queen Elizabeth and her handsome Prince Philip in Ottawa and U.S. cities—pomp, pageantry and color. And in View-Master pictures, of course, you can enjoy the royal visit in full color and the three dimension, eye-witness realism that makes you think you're there in person. See "Queen Elizabeth Visits Canada—U.S.A." Packet now at Heller's Variety.

Hubbards Visit—
Mr. and Mrs. L. Hubbard returned from a trip to Des Moines, Ia., and Minnesota where they visited friends and relatives.

COMMUNITY METHODIST CHURCH NEWS

Following last Sunday's service, which was a Thanksgiving service, members and friends gathered for a coffee hour to greet Rev. and Mrs. A. T. Hanson and their son, Larry. The congregation is heartened by the fact that he will continue to be here.

Choir rehearsal will be held at 7:30 p.m. in the church and at 8 p.m. will be joined by the Kings Beach choir to practice for the Christmas Cantata which will be given in both communties. Rev. Langguth will conduct the rehearsal in the absence of Victor McLane.

Work is progressing on the repair and redecoration of the parsonage.

Following the 11 o'clock worship service Sunday, December 1, there will be the first official board meeting since the arrival of Rev. Hanson.

Methodist Youth Fellowship will meet as usual at 6:30 p.m. in the church basement on Sunda.

NOTICE TO RECLASSIFY PROPERTY IN ZONE DISTRICT AREA UNIT NO. 6, LAKE TAHOE

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Planning Comsion on Friday, December 13. 1957, and Friday, January 10, 1958, at the Courthouse, Auburn, Placer County, California, at the hour of 11:00 A.M. to consider the petition heretofore filed by Jackson Brandt III and Dulcie M. Brandt for the reclassification of the hereinafter described lands from residential to multiple dwelling:

Lots 6, 7, and 8, Block F as shown on maps entitled "Tahoe Vista Subdivision No. 1, in Zone District Area Unit Number 6.

At said hearing all persons in favor of the granting of said petition and all persons opposed thereto may be heard.

Dated: November 20, 1957.

HARRY STUBLEY, Secretary, Placer County Planning Commission.

NANCY CAPERON, Clerk of said Commission.

(Publish: November 28, 1957 and December 26, 1957).

IMPROVEMENT GROUP OPPOSES REZONING

TAHOE CITY—The Tahoe Improvement and Conservation Association has gone on record opposing the rezoning of 23 acres of land fronting State Route 89 across from Tahoe Tavern for commercial development.

In a letter to members of the association and other residents of the area, William D. Evers, president of the organization points out that the stretch of Highway 89 from the Truckee River to Homewood and beyond has been primarily residential since Tahoe was developed. The few businesses in the area were, he says, established long ago but that a residential character predominates.

"If you are interested in preserving the recreational character of the lake and if you endorse long-range planning for Tahoe, we urge you to write a letter of protest regarding this proposed rezoning and send it to the planning director, Placer County Planning Commission, Auburn, Calif.," Evers wrote.

The association particularly urged that no rezoning be done until after the contemplated survey of the lake, approved by the boards of supervisors in the various California and Nevada counties, has been completed.

In City—
Mr. and Mrs. James Sherritt of Soda Springs were visitors in San Francisco last week where Mrs. Sherritt went for a medical check-up.

Dinner Party—
The home of Mr. and Mrs. Frank Giovannoni was the setting for a dinner and card party, Saturday evening. The friends enjoying the affair were Messrs. and Mesdames Lloyd Everett, Russell York, Robert Leamon and Lauren Russell.

At Lake Home—
Mr. and Mrs. Bert Johnson and family of Novato have been installing a fireplace in their Donner Lake house where they plan to spend the holidays.

Go South—
Mesdames L. D. Nelson, Jack Neugebauer, Turner and their children visited at Roseville and southern California last week.

Rockholm Wins Cup—
Norman (Red) Rockholm of Reno was awarded a cup for the best speech of the week at a meeting of the Silverstate Toastmaster Club. The theme of the talk was "The Challenge of Sputnik."

In Islands—
Mr. and Mrs. Ralph Snavely and two sons, who have been living at Washington, are now at Honolulu where he is stationed with the U.S. Navy, according to her parents, Mr. and Mrs. P. Petroni.

SURVEYOR ORDINANCE

AUBURN—The board of supervisors have given final approval to an ordinance to make the post of county surveyor appointive instead of elective. The ordinance will become effective in December but the power of appointment will not be exercised until the end of the present term of Carter Sawyer.

SUN ADS GET RESULTS

THANKSGIVING DAY SERVICE SCHEDULED

Thanksgiving Day services will be held in all Christian Science churches throughout the world. The service will include voluntary testimonies of gratitude by Christian Scientists for God's goodness as shown in spiritual growth, physical healings, and other blessings.

A lesson-sermon for the day entitled "Thanksgiving" will be read in all Christian Science churches. Consisting of selections from the Bible and from the Christian Science textbook, "Science and Health with key to the Scriptures," by Mary Baker Eddy. Keynoting the Lesson-Sermon will be the Golden Text from Psalms (50:14): "Offer unto God thanksgiving; and pay thy vows unto the most high.'

The Truckee group of Christian Scientists extend a cordial invitation to attend Thanksgiving services at the Wyethia Clubhouse.

WOMEN ENJOY BIBLE STUDY, LUNCHEON

The following women enjoyed the fellowship of a covered dish luncheon and Bible study together last Tuesday at the home of Mrs. W. D. Randall: Mesdames Al Dykstra, C. E. Allison, Engless, Kenneth Hedlund, William Englehart, Jr., Harry Barnes, Earl Yeager, John Clemens and Roy Rhoades.

This Friday at three o'clock the young people of the church will meet in front of the Truckee elementary school to leave together for a trip to Susanville where they will attend a youth rally for all fundamental churches covering a large area. We always find real encouragement, fun and growth as we include other christians in our fellowship. The teen-age group has surely experienced this at our two past youth rallies.

Sunday services will continue to be held at the home of Mr. and Mrs. William Englehart, Jr.

LOCAL MEMBERS OF COMMITTEE NAMED

Harold Welch, local member of the governing board of the Sierra College this week announced that he has appointed five members from this area on the site selection committee for the new college.

The local site commiteemen are Berger Nelson, Donner Lake; Mrs. A. F. Ayala, Floriston; Jack Felte, Kings Beach; Herbert Obexer, Tahoe City and Mrs. Kirby Schull, Norden.

At its organization meeting in Auburn last week, the committee elected Harry Rosenberry, president of the Placer County Chamber of Commerce, chairman, and adopted a site evaluation score sheet which all residents of the area are invited to fill out if they have any site for the college in mind.

Next meeting will take place December 3 in Auburn. Gordon Stafford, architect; Mrs. Mazy Salter, county planning director, and Paul Rivers, chief of the state division of school planning, have been asked to be present for consultation.

KENNETH JOHNSON IS SERVING IN GERMANY

U. S. FORCES (Germany) (ATHTNC) — Pvt. Kenneth E. Johnson recently arrived in Germany and is now a member of the U.S. Army Signal Service Battalion at Seckneheim.

Johnson, assigned to the battalion's Company B, entered the army last March and received basic training at Fort Lewis, Wash. He was last stationed at Fort Manmouth, N.J.

His father, Ernest M. Johnson, lives in Norden.

Reno Guest—
Mrs. Frank Titus is a guest of her son and daughter in law, Dr. and Mrs. A. A. Cozzalio at Reno.

CLUB IS THANKED FOR ADDED SERVICE

KINGS BEACH—Bill Bien, public relations director for the Lake Tahoe-Sierra Chamber of Commerce has publicly thanked the Crystal Bay Club for a service being rendered to the public.

The letter, addressed to Manager John Rayburn, expressed the appreciation of the chamber of the club's change of hours to provide a breakfast meal for early risers and especially workmen in the northeast area of Lake Tahoe. All other restaurants in that vicinity, the letter declared, have been closed. The Crystal Bay Club previously did not open until 10 a.m.
